#### PRELIMINARY PLAT

# APPLICATION & PROCESS GUIDE

## TOWN OF GILBERT PLANNING SERVICES DIVISION

http://www.gilbertaz.gov/departments/development-services/planning-development

### APPLICATION PROCEDURES PRELIMINARY PLAT

The following information is provided to assist in the preparation and submittal of an application for a Preliminary Plat for a property within the Town of Gilbert.

- 1. Pre-Application Review Process Prior to filing an application for a Preliminary Plat, the applicant must complete the Pre-Application review process. Forms to apply for the Pre-Application review are available through the Development Services Division or on the Town's website (http://www.gilbertaz.gov/departments/development-services/planning-development). The Pre-Application process takes approximately two (2) weeks.
- 2. Application Completeness For an application to be accepted, the Applicant must provide all of the required information described on the submittal checklist, as incomplete applications will be rejected.

#### 3. Forms/Review:

- a. Administrative Completeness Review (see Planning Division Project Review

  <u>Timelines</u>): Staff will review the application to make sure all required documents and information have been included. If required information is missing, Applicant will be notified that the application has been rejected until all required information is submitted. If the application is rejected, upon resubmittal, a new Administrative Completeness Review will be required.
- b. <u>Substantive Review (see Planning Division Project Review Timelines)</u>: When complete, the application will be routed to Town staff and affected agencies for review and comment. After this review is completed, the comments are consolidated and returned to the Applicant. The Applicant is responsible for addressing staff comments, revising and amending the application as required, and submitting a complete set of revised plans for a second review to ensure all comments have been addressed to the satisfaction of the Town
- c. If all comments and issues identified in the Substantive Review have not been addressed to the satisfaction of Staff in the resubmission, the application will be denied. In lieu of denial, the Applicant may, either in writing or electronically, agree to allow Gilbert to submit supplemental requests for additional information. If Gilbert issues a comprehensive written or electronic request or a supplemental request, the Substantive Review timeframes are suspended until the additional information is submitted by the Applicant.
- 4. If all comments and issues identified in the Substantive Review have not been addressed to the satisfaction of Staff in the resubmission, the application will be denied. In lieu of denial, the Applicant may, either in writing or electronically, agree to allow Gilbert to submit supplemental requests for additional information. If Gilbert issues a comprehensive written or electronic request or a supplemental request, the Substantive Review timeframes are suspended until the additional information is submitted by the Applicant.

- 5. *Staff Review* Upon receiving a complete application, the information will be routed to Town staff and affected agencies for review and comment. After this review is completed, the comments are consolidated and returned to the applicant. The applicant is responsible for addressing staff comments and submitting revised plans for a second review if needed.
- 6. *Neighborhood Notice* The Town will prepare the Notice of Public Hearing for the Preliminary Plat and provide a copy to the applicant. For each required public hearing the applicant must mail the Notice of Public Hearing by first class-mail at least fifteen (15) calendar days prior to the date of the hearing to the following:
  - a. All property owners of record within three hundred (300) feet of the site;
  - All Homeowners Associations within one thousand (1,000) feet of the site registered with the Town of Gilbert Neighborhood Services Office, the Arizona Corporation Commission or identified on the Maricopa County Assessor's website (www.maricopa.gov/assessor);
  - c. All neighborhoods within one thousand (1,000) feet of the site registered with the Town of Gilbert Neighborhood Services Office;
  - d. To the owner, if the application is initiated by a person other than the owner; and
  - e. Any person or group who has requested notice in writing.

The Planning & Development Services Manager may expand the notification area set forth in this section if it is determined that the potential impact of the project extends beyond the required notification boundary. The applicant must submit a signed affidavit of mailing prior to public hearing. Failure of the applicant to provide evidence of mailing will result in a postponement of the public hearing item. The applicant may be charged a fee for the postponement.

- 7. *Property Posting* (*Sign*) The Town will prepare the Notice of Public Hearing Sign Template for the Preliminary Plat and provide a copy to the applicant. Signs must be posted at least fifteen (15) calendar days prior to the date of each public hearing. The applicant is responsible for posting the signs on the property, subject to the following specifications and requirements:
  - a. Posting, maintenance, and removal of sign(s) are the responsibility of the applicant. The applicant must remove all sign(s) within ten (10) days following the public hearing. If the sign(s) is not removed on time, the Town will remove the signs and may charge the applicant a removal fee;
  - b. The applicant must submit a signed and dated affidavit of posting, and color photos of the posted sign(s) prior to the public hearing; and
  - c. Failure of the applicant to provide evidence of posting will result in a postponement of the public hearing. The applicant may be charged a fee for the postponement.
- 7. *Inactive Cases* All applications are required by the Land Development Code to be actively pursued to a decision. If no activity has occurred on an application for 180 days, the application will be determined to be inactive, deemed to be withdrawn and the file will be closed. The applicant may submit a written request that the application remain active, with

an explanation for the inactivity. The Planning Manager may grant an extension for up to 180 days for good cause if there is a reasonable belief that the application will be actively pursued during the extension period

# PRELIMINARY PLAT CONTENT REQUIREMENTS

#### 1. Project Narrative

- Provide information on how the project complies with zoning requirements and the General Plan; and
- Description of proposed refuse and recycling collection system if other than standard Town collection from individual lots.

#### 2. Landscape and Open Space Plans

- Vicinity Map;
- Scale, north arrow, and dimensions;
- Gross and net site area;
- Property lines, easements, alleys, private streets, tracts and adjacent right-of-way;
- Square footage of common area landscaping and worksheet identifying the individual areas used to calculate the total square footage;
- Square footage of public right-of-way landscaping and worksheet identifying the individual areas used to calculate the total square footage;
- Location of proposed landscape areas:
- Site visibility triangles per Town of Gilbert standard details 92 and/or 93;
- Existing and proposed landscaping materials, including non-vegetative groundcovers. Distinctive symbols must be used for each plant variety;
- Sizes, varieties and number of landscaping materials to be used;
- Contour lines and sections for retention basins and earthen berms;
- Location, type and height of proposed site lighting fixtures;
- Design and location of enhanced community mailboxes;
- Elevation and materials for fire resistant walls for SRP transformers;
- Elevations of entry monuments, all wall types, lighting, etc. Plans should be dimensioned and include notations specifying the application of proposed materials and colors;
- Lighting cut sheets;
- Location and specifications of playground apparatus, ramadas or other shade structures, benches, barbecues, ball courts, pools, etc.;
- Schematic grading design of open space areas;
- Date of preparation including dates of any subsequent revisions; and
- Registered Landscape Architect signature and seal.

#### 3. Gateway Entrances

• Elevations of gateway entry monument signage including materials, colors, lettering dimensions and style, and accent lighting;

**Preliminary Plat** 

Application & Process Guide (Updated 9/2014)

- Placement of existing and proposed monument signs with dimensions indicating separation requirements;
- Existing and proposed landscaping materials, including non-vegetative groundcovers. Distinctive symbols must be used for each plant variety;
- Sizes, varieties and number of landscaping materials to be used;
- Contour lines and sections for retention basins and earthen berms; and
- Date of preparation including dates of any subsequent revisions.

#### 4. Preliminary Hydrology Report

- This report shall be on separate, letter size (8.5" x 11") sheets with any necessary maps. Handwritten comments will not be accepted;
- Delineated boundaries of watershed, if the subdivision is subject to off-site drainage;
- Indicate any existing drainage or irrigation structures such as: waste or delivery ditches, natural drainage channels, etc., and how they will be treated;
- The retention volume required and the method to be used. Present a preliminary retention basin plan including size, depth and methods of drainage;
- If the development, or any part of it, is located in a mapped floodplain, indicate the steps that will be taken to comply with Council Ordinance No. 525 (Flood Damage Prevention);
- Date of preparation including dates of any subsequent revisions; and
- Registered Engineer signature and seal.

#### 5. Preliminary Grading and Drainage Plan

- Vicinity Map;
- Scale, north arrow, and dimensions;
- Site Plan details;
- Gross and net site area;
- Preliminary storm water retention calculations;
- Existing and proposed slope, depth, flow patterns, and location of retention areas;
- Proposed contour lines and sections for retention basins and earthen berms;
- Indicate the drainage pattern, grade breaks and slopes of all streets;
- Date of preparation including dates of any subsequent revisions; and
- Registered Engineer signature and seal.

#### 6. Preliminary Plat

- Vicinity map;
- Key map on each page, if plat consists of more than two pages;
- Scale, north arrow, and dimensions:
- Scale must not be more than one hundred (100) feet equals one (1) inch or adjusted to produce an overall drawing of twenty-four (24) inch by thirty-six (36) inch. (Use more than one sheet, if necessary). The scale must be appropriate to the size of the development;

**Preliminary Plat** 

- Number each lot individually with the last lot number circled;
- Table of lot sizes indicating area of all lots, total number of lots, total lot area and corresponding zoning classification;
- Minimum lot dimensions. Do not show "typical" lots;
- Illustrate the minimum lot width at minimum front setback for all irregular lots;
- Table of tracts indicating use, tract area, and total tract area;
- Location of existing and proposed multi-use and pedestrian trails;
- Name, book and page number of any recorded and adjacent subdivision or Map of Dedication having common boundary;
- Name, address and telephone number of subdivider;
- Name, address and telephone number of engineer, surveyor, landscape architect or land planner preparing plat;
- Proposed name of subdivision;
- Location by Section, Township and Range: referenced by dimension and bearing to two (2) section corners. Basis of bearings used must be stated on plat;
- Topography by contours and spot elevations related to N.G.V.D. or approved Town datum. Contour interval shall not exceed two (2) feet and shall adequately reflect character and drainage of land;
- Location of existing fences, wells, lakes, ditches, power lines and trees;
- Permanent structures to remain, including water wells and utility lines within or adjacent to property;
- Location and extent of areas subject to inundation; indicate frequency;
- Location, widths and names of all platted streets, railroads and utility right-of-way of public record;
- Adjacent rights-of-way and easements showing existing and future improvements, access points, etc...;
- Layout of proposed streets and alleys, giving widths, preliminary curve data and proposed names;
- Proposed right-of-way dedications;
- Street cross sections:
- Designation of all land to be dedicated or reserved for public use, with the use indicated;
- Conceptual drainage;
- Show method of sewage disposal; the type of facilities must appear on the preliminary plat. Show the preliminary sewer layout, indicating grades, manhole locations, cleanouts, slopes and depths;
- Show the preliminary layout of the water system indicating fire hydrants, valves, meter vaults and water line sizes;
- Proposed improvement phasing;
- Identification of on- and off-street guest parking;
- Adjacent zoning districts within 300 feet;
- Adjacent lot lines and structures within 300 feet;
- Table indicating development land use data:
  - o Gross and net acres;
  - o Current Zoning District(s) and General Plan Classification;
  - o Percent of total acreage in each zoning category;

**Preliminary Plat** 

Application & Process Guide (Updated 9/2014)

- o Number of dwelling units (Residential only);
- o Minimum setbacks and lot coverage;
- Open space/landscape areas and percentages; and
- o Other tracts and purposes;
- Date of preparation including dates of any subsequent revisions; and
- Registered Design Professional signature and seal.

#### 7. Materials/Color Board

- Material/color board for: Entry monuments, walls, lighting and amenities;
- Samples of proposed materials and actual color chips for fence/sign material noting the color and material name and manufacturer's number mounted on a maximum 9" x 14" foam for cardboard; and
- Catalog pages of proposed materials and colors used for lighting and amenities noting the color and material name and manufacturer's number.

# TOWN OF GILBERT NPCCP WATER CONSERVATION FORM FOR NEW SINGLE FAMILY DEVELOPMENTS

In Accordance with the Town of Gilbert Municipal Code Code Ch. 66, Article VIII

P	roject Name:
PA	ART A: PLAN CALCULATIONS
1.	This residential development measures acres
2.	The landscapable area of this development issq ft Convert to Acres:
3.	The total of all Active Recreational Areas* measuressq ft
	*Active Recreational Area (ARA): Any turfed area which is at least 10,000 square feet in area <b>and</b> which is at least 100 ft long and 100 ft wide. (Call out ARA on landscape plan)
4.	The total landscapable area <b>excluding</b> ARA equalssq ft
5.	10% of the landscapable area <b>excluding</b> ARA equalssq ft
6.	50% of the landscapable area <b>excluding</b> ARA equals sq ft
7.	The proposed water intensive landscape (turf, high water use vegetation, and bodies of water used as an integral part of the landscaped area), <b>including ARA</b> , of the common areas measuressq ft. Converted to acres, this measures acres
8.	The proposed water intensive landscape <b>excluding ARA</b> measures sq ft.
	Does this facility have a water feature: Yes No If yes, see Town of Gilbert Code Sec 66-355 for limitations  PART B: WATER SOURCE
1.	List the water sources proposed for landscape watering (potable, reclaimed, RWCD, SRP):
	a
	b

PART B: WATER SOURCE (Cont'd)
2. Does the acre total in Part A # 7 calculate to 5 acres or more?   Yes No  If yes, this development MUST use reclaimed water for landscape watering.
If the answer to Part B #2 is yes, you must use reclaimed water.
3. This development WILL be using reclaimed water A Reclaimed Water Use Agreement must be signed by all parties and be on file prior to final approval. Contact Hakon Johanson at 480-503-6902 to initiate this agreement.
☐ This development <b>WILL NOT</b> be using reclaimed water
4. This development is classified as a Turf Facility under ADWR guidelines. If the calculation in part A #7 is 10 acres or more, the development is classified as a turf facility under ADWR guidelines and must comply with the Turf Facility Program. Contact Eric Braun at 480-503-6892 for more information.
PART C: LANDSCAPE REQUIREMENTS (Per TOG Code Ch. 66 Art. VIII)
Based on the box checked in Part B #3, will this development be using reclaimed water?
□ No
If checked, the total water intensive landscaped area in the common areas, excluding ARA (Part A #8), shall not exceed 10% of the total landscapable area.
Yes
If checked, the total water intensive landscaped area in the common areas, excluding ARA (Part A #8), shall not exceed 50% of the total landscapable area.

<b>PART D: GENERAL REQUIREMENTS:</b> (Per TOG Code Ch. 66 Art. VIII)  Initial boxes to indicate the requirements have been read and accepted
All irrigation systems used to water the common area landscaping must be efficient.
Only plants from the ADWR low water use plant list may be planted in the remaining common area.
☐ Turf is prohibited in all rights-of-way whether or not reclaimed water is used to irrigate such turf.
Covenants must not require turf nor prohibit Xeriscape on residential property.
Responsible Party Signature Date
Responsible Party Email:
Contact Phone Number:
For Office Use Only
Based on the calculations provided and in accordance with the Non Per Capita  Conservation Program, the allowable water intensive landscape for this development  issq ft oracres. The proposed water intensive
landscaping is calculated to besq ft.

SUBMIT THE COMPLETED FORMS ALONG WITH THE FORMAL APPLICATION PACKET
