

Neighborhood Block Party Permits

In order to assure the success of your Neighborhood Block Party, the Town of Gilbert has established the following procedures (Application at bottom of page):

Neighborhood Block Parties are **intended for residents only, not the general public**. If your Neighborhood Block Party is open to the general public, is being advertised outside the affected area or involves major street closures, you will need to submit a [Special Event Application](#).

Notification:

- ✓ **All** businesses and/or residential property owners or lessees within the street closure shall give their acknowledgement in writing to the person or organization seeking the permit on the Resident Petition (page 5 of the application). Each person who is either a property owner or lessee within the requested barricaded area must sign the petition with an approval/disapproval and provide their name, address, phone number or email address, and signature. **As the applicant you must obtain a minimum of 80% approval from these individuals for your application to be considered.**
- ✓ In order to close a residential street for a neighborhood event, you must also notify your HOA.
- ✓ You must also notify the U.S. Postal Service if your event is scheduled during normal business hours.

Street Closure:

- ✓ Only readily removable barricades may be used for street closures, and a 20-ft lane of clearance is required for emergency vehicle access at all times. The applicant is responsible for submitting application a minimum of 5 business days prior to the day of the neighborhood block party to allow for time to request barricades for a street closure. Residents must be allowed vehicle access to their homes and emergency access must be allowed on barricaded streets.
- ✓ A street may be closed for a neighborhood block party if it meets the following qualifications:
 - The street is a cul-de-sac, dead end, or circular street;
 - The section of the street being closed is less than a half mile in length and is intersected by two (2) other residential streets.
- ✓ A street may **not** be closed if one (1) of the following conditions exist:
 - Speed limit on street is greater than 25 mph;
 - Street is an arterial or collector street with two (2) or more lanes;
 - Street has a bus stop.

Fee and application:

- ✓ A neighborhood block party permit may only be requested by a HOA management company or a resident that lives within the requested street closure area being used for the block party. If the HOA management company is coordinating the block party event, a designated resident must accept delivery of barricades and trash containers at their house/location.

- A non-refundable \$25 permit processing fee is required at the time the application is submitted to the Town of Gilbert. Reservations may be made a maximum of six (6) months in advance and must be made a minimum of 5 business days in advance. **Applications will not be accepted fewer than five (5) business days prior to the proposed neighborhood block party date.**
- A copy of photo identification (Arizona Driver's license or I.D. card) of the applicant will be required to complete the application process. Applicant must be 18 years of age or older.
- Please ensure approval of your Neighborhood Block Party Application by the Town before you announce your activity. Acceptance of your Neighborhood Block Party Application by the Town is neither a guarantee of the date or location nor an automatic approval of your activity. The applicant must complete the application requirements entirely before the Town will issue a Neighborhood Block Party Permit.

Commonly asked questions:

Why do I need to notify the Town that we are having a Neighborhood Block Party? The public street on which you wish to hold your block party will need to be closed to traffic. This closure needs to be approved ahead of time so that fire and police can be rerouted in case of emergency.

How do I notify the Town that our Community will be hosting a Neighborhood Block Party? You will need to submit a completed Block Party Application form to Parks and Recreation at least **FIVE (5) business days prior** to the date of the event. **Town of Gilbert Business days are Monday-Thursday.** You will be notified via email of the street closure approval. *Please advise if your preferred method of contact is not email.*

Can I have a band at my event? Entertainment such as bands, music, and any auxiliary amplifying equipment should be restricted so that sound does not disturb residences beyond the perimeters of the block party. Please see Municipal Code Section 42-61 through 42-65 for further information.

Can additional trash containers be obtained for our event? Yes. Up to three trash containers may be requested. *The Town encourages you to recycle at your event. The Town will provide up to 3 recycle containers for your use in addition to the trash containers.* Following the event, the block party applicant must remove any debris caused by the users from the public right-of-way.

Can trash containers and barricades be delivered to a greenbelt or park? No, all deliveries need to have a house address matching the address of the applicant.

When will my trash containers and barricades be delivered? You can expect your trash containers and/or barricades to be delivered the Friday prior to your block party date.

Can my neighborhood block party have alcohol in the street? No alcohol is permitted in the street.

Assumption of Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

The Town of Gilbert Parks and Recreation department has created new protocols and put in place preventative measures to reduce the spread of COVID-19; however, the Town cannot guarantee that you will not become infected with COVID-19. Further, attending any program may increase your risk of contracting COVID-19, and may increase the risk of transmitting COVID-19 to others.

I acknowledge the highly contagious nature of COVID-19 and voluntarily assume the risk that I, or members of my group or organization, may be exposed to or infected by COVID-19 by participating in any way in any event, program, activity, reservation or rental taking place at a Town of Gilbert Parks and Recreation facility or park, and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at a Town of Gilbert Parks and Recreation facility or park may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Town employees, volunteers, and other participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself or members of my group or organization, including, but not limited to, personal injury, disability, and death, illness, damage, loss, claim, liability, or expense, of any kind, that they or I may experience or incur in connection with participation in any event, program, activity, reservation or rental taking place at a Town of Gilbert Parks and Recreation facility. I hereby release, covenant not to sue, discharge, and hold harmless the Town, its employees, agents, and representatives, of and from any claims related to COVID-19, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I further agree to indemnify and hold harmless the Town of Gilbert and its employees, agents, and representatives from any claim that may arise from or in connection with my or members of my group or organization's participation in any program taking place at a Town of Gilbert Parks and Recreation facility, including claims related to COVID-19. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the Town, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Town of Gilbert Parks and Recreation program.
