

# RED RIBBON WEEK QUIZ

Answers can be found from any source.  
(For example, [www.drugfreeaz.org](http://www.drugfreeaz.org), [www.safeteensaz.org/handy-helpful.html](http://www.safeteensaz.org/handy-helpful.html))

1. List 5 signs that might indicate that your child may be using drugs:

---

---

2. True or False? Red Ribbon Week began in memory of Enrique “Kiki” Camarena, a DEA Special Agent.

---

3. Please name 2 drugs in your child’s world based on their current grade level?

---

4. What type of drug is Heroin? (Also, please list a short & long term effect of heroin use)

---

---

5. List 3 of the most commonly abused prescription drugs: \_\_\_\_\_

---

6. Match the slang names to the type of drug by drawing a line to it:

- |        |                 |
|--------|-----------------|
| Crank  | Cigarettes      |
| Juice  | Steroids        |
| Dope   | Methamphetamine |
| Smokes | Marijuana       |

**Parents:** Thank you for taking the time to have this dialogue about drugs with your child. We ask that you continue a discussion about drugs on a regular basis as your child moves from elementary to middle school and then on to high school. If we can keep our children drug free through their teen years, research shows that they are likely to be drug free forever. Remember...you have the power to make a difference!!
