

Written Test Information

FireTEAM Testing System was developed to measure specific aptitudes important to the occupation of firefighter and emergency response personnel. You don't need experience to answer the questions in this test. Common sense is always your best guide.

Three Components of FireTEAM Testing System

FireTEAM Video-Based Human Relations Test ***40 Scenarios, 115 Questions, 80 Minutes***

FireTEAM Video-Based Human Relations Test focuses on teamwork and human relations skills and was specifically designed for firefighters. You will watch a video segment, then choose the BEST course of action in a multiple choice format. Once you have chosen the BEST possible course of action, you will be asked to identify the WORST possible course of action. This test is presented on video and the items play without stopping. You will have 10 seconds to answer each question.

In addition to answering the questions on Part I of FireTEAM Video-Based Human Relations Test, you will be instructed to observe the behaviors of the individual firefighters portrayed. You will have the opportunity to observe behavior on multiple occasions for many of the firefighters. Part II of FireTEAM Video-Based Human Relations Test consists of questions about these firefighters and their behaviors. Part II is on the same video and immediately follows Part I.

FireTEAM Animated Mechanical Aptitude Test ***40 Questions, 45 Minutes***

FireTEAM Animated Mechanical Aptitude Test is a multiple-choice mechanical aptitude test presented on video. You will see a detailed introduction to an animated brick making factory and then be asked questions about the factory. Most of the questions are about basic mechanical objects such as valves and principles such as water pressure. You will also be asked to answer trouble shooting type questions and observe system operations for problems. All of the questions can be answered based on common sense and observation of how everyday objects work. FireTEAM Animated Mechanical Aptitude Test is also timed. You will see the introduction and each question only once. Again, after each question is presented, you will have a brief period to mark the answer you think is best before the next question is presented.

FireTEAM Reading Test ***25-27 Questions, 15 Minutes***

This test is designed specifically for firefighters, a job requiring on-going study of difficult and technical materials. This test is based on training material and you will be required to choose a word that best fits in the blank. You are given 15 minutes to complete this test.
