

Gilbert Water Festival

Volunteer with us

Join us for the 5th Annual Gilbert Water Festival, an educational field day event that instills a deeper understanding of water in the earth system and Arizona's water resources through:

- Celebrating science and water stewardship
- Hands-on learning activities for students
- Business, municipal, and community involvement to show children career paths and opportunities within Science, Technology, Engineering, and Math (STEM) fields

You can teach a lesson, help set up and breakdown, escort student classes, register volunteers, coordinate learning station activities, and more!

We need YOU!

On Monday, February 29, we'll train you on the four different learning stations so you can feel confident when you teach the students all about water.

Then, enjoy the actual Water Festival day on Thursday, March 10, 2016. We will provide lunch and snacks throughout the day.

To volunteer, please visit <http://goo.gl/forms/wKE0pl21fs>

We will follow up with confirmation and directions.

Got a question? Email Haley.Paul@gilbertaz.gov
