Application for
Haul Route Permit

Development Services
Department
90 E. Civic Center Dr.
Gilbert, AZ 85296
(480) 503-6700-Phone
www.gilbertaz.gov

This form must be completed, signed and returned with the required attachments.

- All hauls will require a pre-construction meeting. Any additional requirements will be discussed at this time. (Public notification, police officers, sidewalk sweeping, truck wash racks, etc).
A water truck and "street legal" sweeper are required at both import and export sites during hauling hours.
A stabilized construction entrance and exit will be required per Maricopa Air Pollution Control Regulations.
All trucks must be covered with a tarpaulin per Maricopa Air Pollution Control Regulations.
Hauls will only be allowed between the hours of 8:30am and 3:30pm Monday thru Friday with the exception of Town observed holidays.
Haul routes shall avoid any streets that have active and ongoing work zones.

Contact Name: _____

24-hour contact phone number: _____

Total quantity of material to be hauled: _____

Number of trucks used in haul: _____

Estimated cycle time of trucks: _____

Proposed method of dirt and dust control: _____

Source of water supply: _____

Approved grading permit number: _____

- Attach a copy of the Approved Maricopa County dust control permit.
Attach a computer generated map of route with excavation and embankment sites depicted. All streets must be identified by name.

I, the undersigned, understand and agree that any deviation from the approved haul route and/or the traffic control plan will void all permit(s). I also understand that I am to provide a copy of the approved haul route plan to each driver to keep in their vehicle at all times.
