Signature of Town Official Reviewing Traffic Control Plan *Date*

Approval of this plan is based upon the information obtained at the time of the submittal. Approval of this TCP does not relieve the contractor of their responsibility to maintain the work zone/jobsite in a safe manner. At the end of each work day, the contractor shall ensure that all excavation is properly marked and protected, and that all traffic control devices that are no longer needed are removed from the Town's right-of-way.
