

# CLOSE THE GAP

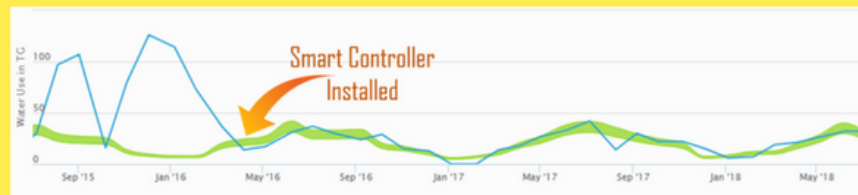

## with Smart Irrigation Controllers

Since 2017, Gilbert Water Conservation has provided 22 Smart Irrigation Timers to Gilbert businesses, HOAs, and schools through our Water Efficient Technology Incentive program. Designed to help non-single family residential customers increase water efficiency through technology, Gilbert will pay for any water efficient technology that meets the specific needs of your site.

**Checkout the increased efficiency of three real-life Gilbert customers after they installed FREE Smart Irrigation Timers!**

**GREEN BAND =  
WATER NEED**

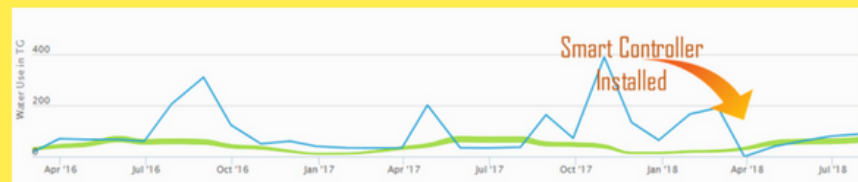

A Gilbert day care center.

**BLUE LINE =  
WATER USE**
