The following revisions to the Bid Documents and/or Drawings for the project shall become a part of the Contract Documents. Only these items are to be altered. The remainder of the original Bid Documents and/or Drawings maintain validity in their entirety. The Bidder shall acknowledge receipt of this Addendum on the Bid Form.

1. On CIP Form 2.4.2 Construction General Conditions:

- a. Delete Section 4.8.2 in its entirety.
- b. Add the following as Section 4.8.2.

Section 4.8.2

Off-duty police officers shall be provided in accordance with the Technical Specifications.

2. On CIP Form 2.4.2 Construction General Conditions - Technical Specifications:

- a. Add the following at the end of Section 401.5 General Traffic Regulations:

If required, the Contractor shall coordinate and schedule off-duty police officers with the Town of Gilbert as a part of the Contractor's traffic control work. The Contractor will pay for the officers, and the Town will reimburse the Contractor for the actual, documented costs to the Contractor for this item. The Contractor will be required to present an overall estimate of the hours required for off-duty police officers with the submission of his master schedule for the project. Officers charge a minimum of three hours to the project if scheduled. The Town will not pay reimbursements on any foreseen scheduling problems that could have been avoided by Contractor; unforeseen problems will be considered. In the event that the Contractor fails to prosecute the work in a timely and orderly fashion, the Town shall notify the Contractor and reserves the right to deny reimbursement for the off-duty officers. Scheduling will be done by Contractor and daily time sheets turned over to the Street Department representative. The Town's payment for police officers will be

Contractor shall schedule officers (48) hours in advance by contacting Off-Duty Management at:
