LEAGUE OVERVIEW:

The Gilbert Youth Indoor Soccer League is a recreational program not associated with club soccer. This league focuses on basic soccer skills development, team building, and most of all having fun! There are no tryouts for the league; participants are placed in divisions based on their age at the start of the season. Coaches encourage players to play each position throughout the season. We do not keep score during games, and do not track standings or rankings during the season. Since this is a recreational league, we do not allow club or competitive teams to play in this league. Club or competitive players are welcomed to join the league as an individual player.

LEAGUE BREAK:

During this season there will be a break from November 25th – December 1st. Practices/Games will resume on December 2nd.
