

Native American Management Internship

Management Internship for students studying in fields relating to government or business leadership including public administration, public policy and American Indian studies. Applicants must also be interested in pursuing a career in public service to Native American communities, issues, or organizations upon graduation.

Graduate students preferred. Undergraduate students may be considered.

- *Gain exposure to innovative practices in our organization by providing direct service to the community.*
- *Attend town-related events, council and senior staff meetings, internal and external professional meetings.*
- *Make presentations to council, executive staff and various organizations.*
- *Work on executive level projects, research and program analysis, budgeting and customer service.*

The ideal candidate will possess excellent verbal and written communication skills; be organized and detail-oriented; highly motivated and willing to work in a fast paced environment.

Interns will receive \$15/hour for part-time work during the Summer 2015 semester and can also obtain credit from their university. The internship will run from Monday, May 18th through August 7th.

Please send a resume and cover letter to Heather Wilkey at Heather.Wilkey@gilbertaz.gov by April 10th. The review of applications will take place the week of April 13th and interviews for selected finalists will be scheduled the week of April 20th.
